Debutantes Testimonials

'Being a debutante was a once in a lifetime experience for me. It was even more special to me since I was fortunate enough to be the first one in my family to participate. I would highly recommend this experience to anyone who is interested not only because it is a memorable night - you will cherish it forever.'

~MIKHAELA ACKERMAN

'Way back in the fifties, I had the great experience of being presented at the KF Ball. It was a night to be remembered, a never to be forgotten event. Mrs. "Florcia" Jarzembowski was the patroness, and the Kafka sisters taught us all the dance routines. Being on that stage at the Waldorf with two handsome escorts, taking that bow was thrilling. It was a wonderful, wonderful night. Young Ladies, GO FOR IT!'

~JADZIA BARWICK

'A once in a lifetime experience! A dream come true! I felt like a Princess! And I met my Prince! We are still living our fairy tale 24 years later!'

~CYNTHIA ROSICKI

'Making my debut as a KF Debutante marked a significant milestone in my life. I was fortunate enough to take part in the experience. The Ball provides a most wonderful mix of formality, historic custom, glitz and glamour and a truly memorable and joyous occasion for the debutantes, their partners and their family and friends.'

~JULIANA FAZIO

'Although our own debuts were seven years apart, we cherish the memories of that magical evening with family and also with close friends, as we hosted our own "Sweet 16" parties that night at the Ball as well. What a great way to introduce others to such a fabulous event!'
