WISCONSIN STUDY IN POLAND

SCHOLARSHIP DETAILS

The Kosciuszko Foundation will offer two (2) Wisconsin Study in Poland Scholarships. Scholarship may be used for Session A or B at the Jagiellonian University in Krakow. The scholarship covers the cost of program fees.

Program fees include the cost of tuition, course materials/textbooks, a shared room, meals and complementary programs such as sightseeing. The scholarship will be paid directly to the Jagiellonian University. A report to the Kosciuszko Foundation will be due on return to the USA.

Scholarship recipients will be responsible for their own transportation, healthcare coverage and all other costs.

WSIP Scholarships are open to applicants who will be 18 years old by the first day of the program. Scholarships shall be awarded to students who are Wisconsin residents of Polish descent. Consideration may also be given to non-resident Wisconsin students of Polish descent who are attending Wisconsin colleges and universities. A GPA of 3.0 or higher is required.

WISCONSIN STUDY IN POLAND SCHOLARSHIP FUND

We are pleased to announce that a Wisconsin couple is spearheading an effort to raise funds for Wisconsin students of Polish descent to attend 4- and 6-week summer programs at the Jagiellonian University in Krakow, Poland. To aid in this effort, they have pledged to donate monies towards a scholarship which will be entitled, "The Wisconsin Study in Poland Scholarship" or WSIPS and are asking Polish organizations and the Wisconsin community to join this effort.

The Foundation will award a minimum of two (2) scholarships per year thru 2022 to Wisconsin students of Polish descent and will continue awarding future scholarships based on the level of support from Wisconsin's Polish community.

The Kosciuszko Foundation is a 501 (c) (3) organization. Anyone wishing to make a donation towards this effort may send contributions made out to "Wisconsin Study in Poland Scholarship Fund". Send contributions to the Kosciuszko Foundation, 15 East 65th Street, New York, NY 10065. All donors will receive a letter acknowledging their donation for tax purposes.

The donors have said, "The state of Wisconsin has one of the largest percentages of Americans of Polish heritage of any state in the country.

Most of the Poles who emigrated to Wisconsin came between the time of the American Civil War and the First World War. Included in that group were members of my family. They all spoke Polish and identified themselves as Polish, although their travel papers showed that they were from other countries, countries who occupied what is now modern day Poland.

I find Poland to be an amazing country, not because it's where my family came from, but because of its Phoenix-like rise from the ashes of war and political dismemberment. This was possible because of the strength and resilience of its people. Despite the trials and tribulations that Poles have endured, Poland has a proud and rich history, but many Polish Americans, particularly young Polish Americans don't know Poland's story very well.

That's why I believe the mission of the Kosciuszko Foundation is so important. It allows a young generation of Polish Americans to experience Poland for themselves; and with that I trust that the Wisconsin Study In Poland Scholarship will allow students with this Polish 'experience' to more deeply value their heritage."
